

# Benefit summary

## Easy access and great value

Members of the Delta Dental Individual and Family™ EPO Pediatric plan have access to Delta Dental's EPO network when receiving care in Massachusetts (MA). Participating providers offer discounted fees and adhere to a no-balance-billing policy.

If you require care outside of Massachusetts, you have access to Delta Dental's extensive national PPO network. Members also have the flexibility to visit a provider who does not participate in the Delta Dental EPO network in MA or the Delta Dental PPO™ network outside of MA; however, benefits will be paid at the out-of-network level shown in the right-hand column of this coverage summary. Out-of-pocket costs will be higher because the benefit level is lower, Delta Dental's contracted rates do not apply, and the no-balance-billing policy is not in effect.
